YOUR RIGHTS AND RESPONSIBILITIES—Read this page carefully and sign at the bottom.

1. You have the right to a decision on your application within forty-five (45) days from the date your application is received. This means your application will either be approved, denied, returned to you for further information or placed on a waiting list pending availability of services within 45 days.
2. You cannot be denied child care assistance on the basis of race, color, sex, age, disability, religion, national origin or political belief.
3. You may choose any child care provider in your area that meets the requirements of DHS and the Child Care Assistance Program.
4. Information you provide will not be released without your written consent, except to parties allowed by law. Your name and Social Security Number may be furnished to employers, government agencies, educational institutions or any other party deemed necessary by DHS to determine your eligibility.
5. If any adverse action is taken on your application or child care case, you have the right to an Internal Review. If you are not satisfied with this review, you may appeal the decision by sending a written request to: Arkansas Department of Human Services, Office of Appeals and Hearings, P.O. Box 1437, Slot N-401, Little Rock, AR 72203.
6. You must help establish your eligibility by FULLY completing this application and providing as much information as possible about your circumstances. You must be truthful in reporting all information. Providing false information or withholding information may result in criminal prosecution.
7. You MUST report ANY and ALL changes that affect your eligibility to your Child Care Specialist within ten (10) days of the change. These changes include but are not limited to: Address or Telephone Number, Household Members, Employment, Child Support, Child Care Needs, Training or Education Programs, or Income. Failure to report changes may result in your case being closed and a referral to the Fraud Unit. You are responsible for any overpayments resulting from changes in your status.
8. You understand that DHS will not retroactively pay or reimburse you for your child care expenses. The first day that DHS will pay for child care is the day DHS determines all eligibility requirements have been satisfied and you are approved for services.
9. You must be receiving child support or agree to pursue child support from the absent parent(s) of children for whom assistance is needed. This may include opening a child support case with the Arkansas Office of Child Support Enforcement.
10. You agree to cooperate in any DHS investigation concerning your case. You understand that failure to cooperate will result in termination of assistance.
11. You have the responsibility to pay your portion of the daily child care fee to the child care provider on a timely basis. Assistance may be terminated if payment is not made.
12. CHANGING PROVIDERS: If you wish to change child care providers, you must give a minimum of one (1) week's written notice to your Child Care Specialist. If such notice is not given, you will be responsible for any payments to the new child care provider until the Child Care Specialist officially completes the change. Due to the cost of processing, as well as the added stress on a child when changing caregivers, the maximum number of times you may request a change of facilities is three (3) per certification period.

IF YOU ARE A STUDENT OR ENROLLED IN A TRAINING PROGRAM, YOU MUST READ AND UNDERSTAND THE FOLLOWING:

Students enrolled in education or training programs must maintain full-time status in order to remain eligible for assistance. Students are allowed a maximum of fifteen (15) semesters or twenty (20) quarters to complete educational endeavors. Your grade/progress report will be checked each school term to verify that you have completed the necessary courses of study to maintain your eligibility. If you reduce your hours, you MUST report this to your Child Care Specialist within ten (10) days. If you drop below full-time status, you will be required to obtain employment of up to 32 hours per week in order to remain eligible for assistance. Child care will not be paid for during semester breaks or spring break unless the student meets other applicable criteria for assistance during that time.

Grades will be checked at the end of every full semester/quarter in which you receive assistance. You must maintain a "C" average (2.00 GPA) in order to continue receiving assistance. If you drop below a 2.00 average, you will be placed on academic probation for one (1) semester or quarter. If your grades do not meet this requirement the following semester, your case will be closed unless you obtain employment of at least 32 hours per week and child care will not be paid for school attendance for six (6) months from the end of the probationary semester. Students not attending summer school have the option of placing their case in suspension during that time. All eligibility criteria must be re-verified before receiving assistance at the end of the suspension period. Child care WILL NOT BE PAID for study beyond a Bachelor's degree. This includes medical school, law school, physical therapy and other graduate programs.
